

Effective Solutions for AMO

CLIENT PROFILE

Fatimah Abbouchi, CEO at AMO. Fatimah recruited for various positions including Program Director, Project Managers, and more with the assistance of CPS IT Consulting..

As someone who is constantly short on time, I appreciate Craig's ability to help us with recruiting. He is a true professional with a deep understanding of people and the needs of his clients, allowing him to source the best solutions quickly and accurately

PROBLEM OVERVIEW

AMO was facing a dual-faceted problem. Firstly, there was a scarcity of time to dedicate to the intensive recruitment process. Secondly, the company struggled to find the right people for roles that required immediate filling.

SOLUTION

CPS IT Consulting, led by Craig, differentiated itself through its professional, friendly, and empathetic approach. Craig's deep understanding of his clients' needs and his expertise in identifying the best solution promptly and effectively made CPS IT Consulting the ideal choice for AMO.

SUCCESSSES

Working with CPS IT Consulting provided Fatimah with the peace of mind to concentrate on her core business tasks, confident that the recruitment process was being handled efficiently and accurately. The collaboration allowed AMO to secure the right talent for their urgent roles.

RECOMMENDATION

Fatimah strongly recommends CPS IT Consulting, citing the team's dedication to understanding the client brief and their consistent track record of getting it right the first time.

EXPERIENCE

When asked to encapsulate her experience with CPS IT Consulting in a single word, Fatimah chose 'Effective'. This choice reflects the efficient, accurate and timely solutions that CPS IT Consulting has consistently delivered, ensuring that AMO's recruitment needs were effectively addressed.
